

WOODBURNING EQUIPMENT

Colwood Electronics - the original manufacturer of this type of woodburning equipment

CUB - smallest and most economical unit; temperature control and on/off knob in one rheostat switch, fixed cord, compact size for carrying with you to class or seminar
#10901.....\$73.25

SUPER PRO 11 - heavy duty/detail switch, 2 clips for mounting handpieces, lighted on/off switch, 1 standard cord and 1 heavy-duty cord, selectable front panel switch allows having 2 different tips ready to use
#10903.....\$120.00

OUR MOST POPULAR MODEL

DETAILER - Colwood's original burner and our most popular model includes control unit, ultra flex handpiece cord, on/off switch separate from rheostat temperature control
#10900.....\$86.50

GALAXY - the ultimate in burners and choice of the pros; digital provides a more consistent burning, and automatically compensates for changes in line voltage; large digital LED display
#10902.....\$207.50

RENAISSANCE WORKSTATION. Unit comes with 1 standard cord and 1 heavy duty cord and is a combination woodburner and high speed grinding motor, all in one unit. The grinder has variable speeds up to 35,000 rpm and is reversible. Motor is soft start. Includes a 1/8" collet and a 3/32" collet, along with a replaceable tip handle and replaceable tips B & D.
#10904.....\$450.00

OLYMPIAD - Colwood's most powerful unit. Lighted on-off switch. Comes with one ultra-flex cord and new Hot Knife. Great for heavy insertion work. Ideal for gourd artists, bird carvers, woodworkers and plaque and sign makers.
#10906.....\$245.50
